

## **Apply by August 1 for environmental capital project funding**

Are you upgrading a recycling plant? Do you have plans to construct a new net-zero building? FCM's Green Municipal Fund provides funding to Canadian municipalities for innovative environmental capital projects like these and more. Be sure to apply for funding by August 1, 2018.

We offer loans combined with grants for capital projects related to: energy efficiency and recovery; water quality and conservation; transportation and fuel efficiency; waste management and diversion. The next deadline to apply for capital project funding will be March 1, 2019.
