DEALER INQUIRIES

Cylinder Exchange Program

There is no need to purchase another BBQ cylinder ever again. First : Purchase a filled cylinder and join into our exchange program. Next : Simply bring back your empty usable cylinder and receive another filled cylinder for only the cost of the propane. To qualify as a usable cylinder the cylinder must be less then (6) years old and have no physical damage such as : dent's, broken collar or foot ring, etc. We accept all competitors exchange program tanks. Your empty cylinders may be exchanged at any Prairie Propane's cylinder exchange program location. All of Prairie Propane's cylinders are certified, clean and ready to use for your convenience.
