- Existing programs and infrastructure
- Waste audit
- Future waste estimates

- Develop options
- Cost Estimates
- Compare options
- Build Consensus
- Negotiate Agreements
- Sign and Celebrate

How do we know we have arrived?

Where are we now?

How are we going to get there?

Where do we want to go?

How do we know we have arrived?

Where are we now?

How are we going to get there?

Where do we want to go?

- Vision and Goals

How do we know we have arrived?

Where are we now?

How are we going to get there?

Where do we want to go?

- Vision and Goals
Types of Agreements –

• Service Agreements:
  – Solid Waste Management
  – Water and Sewer
  – Fire and Emergency Response
  – Transit

• Friendship Type Agreements:
  – Communication Protocol
  – Cooperation Agreement
Sample Agreements

**Fire Protection**
Provides guidelines for both single-community services and mutual aid agreements.

**Recreation**
Outlines considerations for the provision of recreation services, which may include pools, arenas, libraries, public parks and trails maintenance.

**Solid Waste**
Provides guidelines for communities wishing to collaborate on solid waste collection, transfer stations or landfill sites.

**Transit**
Highlights considerations for establishing a First Nation - municipal transit agreement.

**Water and Wastewater**
Outlines basic considerations for sharing piped water and sewer services.
